SUBJECT: TDY Travel to the USSR

In light of the recent Soviet decision to withdraw Embassy Moscow's staff of local employees and to impose a ceiling on U.S. TDY travel to the USSR, Ambassador Hartman has asked that we reduce non-essential TDY travel to Moscow and reduce the number of official delegations and visitors requiring Embassy services.

All U.S. agencies planning official travel to the Soviet Union should clear travel plans with the Office of Soviet Union Affairs of the Department of State, which will coordinate the plans with Embassy Moscow. Travel plans should be submitted in writing to EUR/SOV, Room 4225, The Department of State, (647-8956, 647-8670). The Office of Soviet Union Affairs will work with concerned agencies to establish a regular mechanism to facilitate the coordination of TDY travel over the longer term.

This memorandum complements the President's Directive of February 22, 1982, on foreign travel, which requires that travel by government officials at the level of Assistant Secretary or above be approved by the National Security Adviser.

The Embassy will make every effort to provide as much support as possible. However, it will be unable to give its customary level of visitor support for the present. While the usual vehicle support, hotel reservations, ticketing, check cashing, and snack bar/commissary support will not be available from the Embassy, they normally can be obtained through Intourist. Exchange visitors should arrange to rely on their Soviet host organizations or Intourist for these services.

Executive Secretary
